Title: Sigmund Minisode 1 [Free 2013 Holiday Special]

Genre: Adventure, Indie, RPG

Developer:

Freebird Games

Franchise:

To the Moon Series

Release Date: 4 Feb, 2015

English,German,Simplified Chinese

---

Wanting a bit more of a universe as catchy, beautiful and exciting as To The Moon's is natural, its story is so well written that it is impossible not to dive headlong and get glazed in history. Making a minisode of the doctors was an excellent choice to better understand the company's functioning, the relationships of the characters and what that universe is like outside of the house and mind of Johnny Wyles, a more open and comprehensive story that has characteristics of the main game.
